

Workshops for Kinder – Yr 2 Weston Creek

Monday 15 April

Phoebe Physics...Shadows and Light

What do the colours red, orange, yellow, green, blue, indigo and violet all have in common? They are the colours of the light spectrum and you can find them in a rainbow! Phoebe Physics is armed with mirrors, water, glass and loads of curiosity – she will need it, as she leads you into the fascinating world of light, colour and the many shades of grey!

Tuesday 16 April

Portia's Portal...A Day in the Stars

The closest star to Earth is our very own sun. Students will use literature, mythology, science, art and folklore to learn about the sun. A Swish workshop designed for students who enjoy science and/or astronomy

Wednesday 17 April

Engineer Enrico...The Inventor's Box

You are going to need all your brain power for this workshop! With your own 'Inventor's Box' full of different materials, parts, supplies and tools you will invent whatever your imagination can think of! It could be a robot, a new machine, a better way to do something, or perhaps something you really need. As they say, necessity is the mother of all invention!

Thursday 18 April

Dr. B. Ologist...Can You Bear It?

Can You Spot the Odd One Out? Polar Bear, Honey Bear, Himalayan Red Bear, Tibetan Blue Bear, Yogi Bear, Mexican Grizzly Bear, Formosan Black Bear, Californian Golden Bear, Kermode Spirit Bear, Cinnamon Bear, Borneo Sun Bear and the Indian Sloth Bear. Come along and immerse yourself in a day of all things 'bearish', including fact and fiction, myth and legend, the serious and the seriously funny!

Friday 19 April

CLOSED – Public Holiday

Monday 22 April

CLOSED – Public Holiday

Tuesday 23 April

Beebots... Treasure Map

Captain Jack runs the biggest pirate ship in all the seas. He is very upset because his map is missing. Captain Jack is extremely worried the ancient treasure map might be lost forever. He needs the help of junior pirates everywhere to help find the map and use it to locate the ancient treasure. It's going to be a very tough job and we are going to have to work very hard but don't worry because we are going to have the help of the very smart Pirate BeeBots.

Wednesday 24 April

Magical Moments... There is an Alien in My Lunchbox

Imagine opening your lunchbox to find an alien sitting on your apple! What does it look like? What colour is it? What would you say to each other? Can you even communicate? Which solar system is it from? Pack your creativity for a day of inter-stellar interaction.

Thursday 25 April

CLOSED – Public Holiday

Friday 26 April

Paleo Pete... A Day with Dinosaurs

A' is for Allosaurus, 'B' is for Brontosaurus and 'C' is for Camptosaurus! Spend a day travelling back in time - a long, long, long time to 'see' the world of dinosaurs. Not only will you explore dinosaurs but also the type of environments in which they roamed, ate and lived. You can even bring along your own dinosaur items to share with the rest of the workshop participants.
