

Workshops for Kinder – Yr 2 Campbell

Monday 30 September

Zoology

In this workshop you will look into the world of zoology; discover the best zoos in the world and what it is that makes them so special? You will also learn about animals particular zoological needs and then design and develop suitable enclosures. What will you do in your zoo?

Tuesday 1 October

Dr B Ologist...Perplexing Plants

Does it surprise you that a tomato is really a fruit? And that a blueberry isn't actually a berry? Do you find it strange that a banana is both a fruit AND a herb? Well in this workshop you will become junior botanists as you begin to explore the perplexing world of plants.

Wednesday 2 October

Engineer Enrico...Musical Instruments

What makes an instrument a musical instrument? What can we make instruments out of? Will you make a string instrument or is percussion more your thing? Maybe you want to harness the power of wind? Let's see how much music we can make!

Thursday 3 October

Dr B Ologist...Double Trouble

Is two, twice as nice? Discover the biological world of the things that come in pairs; it is not just people but animals and plants as well! Discover the similar, identical and even the unusual and have a great time along the way as we double up the fun.

Workshops for Kinder - Yr 2 Campbell

2

Friday 4 October

Beebots... Coding Capers

The Beebots are back and today the focus is all about introducing our youngsters to the world of coding. We will be coding the Beebot robots, their counterparts on the iPads and using coding in a variety of games as we learn to master basic coding skills.

Monday 7 October

CLOSED – PUBLIC HOLIDAY

Tuesday 8 October

Percival's Passport...A day on the Nile

Percival has been caught on a raft and is riding the Nile River. Where will the river end? Where did it start? Why is it so calm, and then so rough? For that matter, what are all those rocks doing there? Follow Percival's adventure down the Nile River to find out about this extraordinary river system and how/where it all eventually ends.

Workshops for Kinder – Yr 2 Weston Creek

3

Wednesday 9 October

Professor Makin a Mess...Crystals

Professor Makin A. Mess has been asked to teach children about crystals. On the way over his samples got all mixed up and now he needs your help. Can you help Professor Makin A. Mess sort out the mess? He has piles of sugar, sand, salt, diamonds and rocks and he can't remember which is a crystal, and which is not. In order to help, you will need to learn all about the fascinating world of crystals.?

Thursday 10 October

Portia's Portal... My Grandpa played that game

What games were your grandparents playing when they were six years old? Do you think it was Playstation And Pokemon Go? Explore the games from yesteryear, then select one and give it a modern twist. Change the rules, change the name, rebrand the image and 'package' it up for a brand new market – the kids of 2019! Who knows, you might even start a new trend!

Friday 11 October

HOGSWISH

Wizards, Witches, Warlocks and Warts...Cats and Cauldrons...Broomsticks and Britches. Today it is all things magical as we enter the world of HOGSWISH. By the end of the day you will have learnt some new Latin words, made some interesting potions and have tales to tell about the magical time you have had in HOGSWISH?
